

Santa Clara Swim Club...

...began its legacy in the glory years of George Haines, founder, in 1951

...has one of the richest traditions in the history of amateur athletics

...remains committed to developing champions not just in the pool but in all walks of life

...offers one of the most successful Learn to Swim programs in the Valley

...shows the dedication of its swimmers, coaches, parents as they continue to contribute to the sport of swimming in the United States

...has guided thousands of youngsters, teens, young adults, and Masters swimmers in their quest for excellence

...has developed the youth of our community in body, mind, and spirit

...swimmers that swim through high school go on to swim in college

...is recognized around the world as the best swim club in history

...has been a community builder for half a century

...has given back over half a million dollars to the community through dues relief to swimmers in need.
